

Creation of IBM CLOUD SERVICES

Team ID	PNT2022TMID01889
Project Name	Smart waste management system for metropolitan cities

JIRA SOFTWARE AND SCREEN SHOTS

ROADMAP

The screenshot displays the Jira Software interface for the 'IBM Project'. The left sidebar shows the project structure with 'Backlog' selected. The main area shows the 'Backlog' view for the 'IBM Project'. A banner at the top asks, 'Does your team need more from Jira? Get a free trial of our Standard plan.' Below this, the 'Backlog' section is visible, showing a search bar, filters, and a list of sprints. The sprints listed are 'IP Sprint 2' (26 Nov - 7 Dec), 'IP Sprint 3' (26 Nov - 19 Jan), and 'IP Sprint 4' (17 Nov - 26 Nov). Each sprint contains issues, such as 'IP-3 As a Co- Admin I will manage garbage level monitor. IF garbage gets filled I will alert location and trash id to collect the garbage' and 'IP-4 As a Truck driver, I will follow the route set by co admin to reach the filled garbage'. The interface includes a 'Start sprint' button for each sprint and a 'Create issue' button. The bottom of the screen shows the Windows taskbar with various application icons and system information like '28°C Cloudy' and '20:58 26-11-2022'.
