CREATION OF DATABASE IN CLOUDANT DB

Team ID	PNT2022TMID01889
Project Name	Smart Waste Management System for metropolitan cities

Step1: Login into IBM cloud account.

Step2: On the top left corner click on Resource list.

Step3: Search for Database option then click on drop down arrow.

Step4: Then click on cloudant account available.

Step5: Now cloudant window appears then click on launch dashboard on right corner.

Step6: Click on create database on right corner then provide the name for database and check the partitioned recommended for most workloads>option then click on create.

Step7: Finally cloudant DB was successfully created.
